options to chose from*

Designed To Lead Built To Last

THE SOLUTION FOR YOUR PASSENGER TRANSPORT

The demand for the transportation of smaller groups and the need for smaller buses is growing. Mercedes-Benz anticipated this and has devolved the first bus of a new class the **MCV 200 L**.

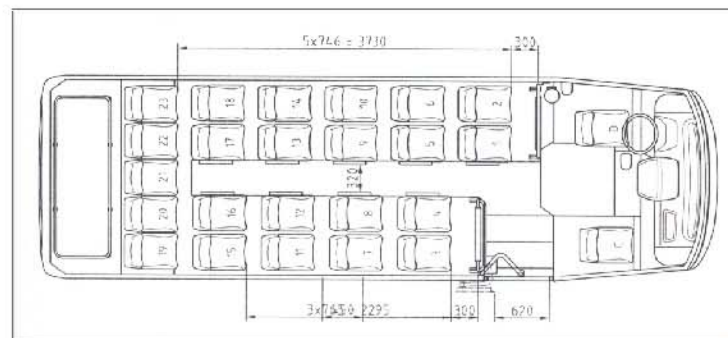

Comfortable seating with modern, easy care upholstery for sensible everyday operations.

Safe and comfortable driving is ensured by the clear positioning of the instruments and the arrangement of the driver's space.

The spacious luggage compartment offers your passengers enhanced comfort even on short trips

The bus can be equipped according to your demands and offers an optional video system and 25 reclining seats in order to drive into a *luxury ride*.
